2. Jean Monnet actions in **other fields of education and training**
3. Jean Monnet **policy debate** (higher education and other fields of education and training)

# Scope of Jean Monnet actions

- **EU Dimension Focus**

Jean Monnet activities should **promote active European citizenship and the founding values of the European Union** of respect for human dignity, freedom, democracy, equality, the rule of law and respect for human rights, including the rights of persons belonging to minorities (Article 2 of the Treaty on European Union).

- **EU Policy Focus**

Jean Monnet actions should **contribute to spreading knowledge about how these policies can benefit the daily lives of citizens in the EU and/or abroad**, and/or how these can influence the policymaking system, in similar fields, either at the Member State level or abroad at a national, regional or global level. A link should be displayed between the subject of the proposal and the relevant EU policy or topic(s).

- **Public Diplomacy Focus**

Jean Monnet actions also strive to **function as a vector of public diplomacy towards third countries**. They should promote EU values and enhance the visibility of what the European Union stands for and what it intends to achieve.

## Jean Monnet actions in the field of higher education - Aims

- **Promoting excellence** in teaching and research in EU studies worldwide
- **Generating knowledge and insights;** supporting EU policy-making, while strengthening the role of the EU within Europe and the world
- **Reaching new people;** going beyond academia and specialised audiences, bringing EU knowledge closer to society in the process
- **Fostering dialogue** between academia and society, policymakers, civil servants, civil society, representatives of different levels of education, and the media
- **Functioning as a vector for public diplomacy** towards partner/third countries, promoting EU values while enhancing the visibility of its goals and achievements

# Tips for Applications

- **Be Clear!**

Read the questions carefully, provide information in the correct order as indicated in the form.

- **Keep it simple!**

Use short sentences, vary the length if you wish to make it more interesting but keep it simple and focused.

- **Be Concrete!**

Use examples, justify your claims, provide evidence.

- **Be realistic!**

The application is the basis of your project to be; it is also the cornerstone of the commitment you will sign.

- **Be Coherent!**

Avoid contradictions and “cut and paste” style applications

- **Double-check your proposal!**

Make sure you have followed all instructions and the proposal meets all mandatory requirements.
