Erasmus+

Enriching lives, opening minds

2021-2027

What is ICM?

- Launched in the 2014-2020 programme to fund short-term mobility of students and staff between Programme and Partner countries
- Manifold benefits for individuals and institutions:
 - Key skills & competences, professional development, enhanced employability, teaching methods, etc.
 - Increased capacities, attractiveness & internationalisation; improved quality of higher education

How does it work?

- **Decentralised action**
managed by the Erasmus+ National Agencies based in the programme countries
- **Global action:** the world is divided into regions, which have different budgets allocated per year
