# International credit mobility in the Erasmus+ programme 2021-2027

Erasmus+

Enriching lives, opening minds

2021-2027

# What is ICM?

- Launched in the 2014-2020 programme to fund short-term mobility of students and staff between Programme and Partner countries
- Manifold benefits for individuals and institutions:
  - Key skills & competences, professional development, enhanced employability, teaching methods, etc.
  - Increased capacities, attractiveness & internationalisation; improved quality of higher education

# How does it work?

- **Decentralised action** managed by the Erasmus+ National Agencies based in the programme countries
- **Global action:** the world is divided into regions, which have different budgets allocated per year

International credit mobility 2014-2020  
~270k planned short-term staff and student mobilities

# ICM budget

2014-2020

2021-2027

# ICM budget per National Agency 2024

# Activities supported (I)

- Short-term higher education mobility for students, academic and administrative staff
- All levels: Bachelor, Master and PhD candidates
- Mobility in any subject or academic discipline
- Also supports traineeships for students and training for staff
- Study periods and traineeships of 2 – 12 months
- Blended mobility (physical mobility of 5 – 30 days + virtual component)

# Activities supported (II)

- All partners in an ICM project can **send and host students and staff** as described in their submitted project and provided that a relevant grant has been secured.
- For certain countries, Bachelor/Master student mobility is only possible from third countries to Europe – this means third country universities **can send but not host**.
- Countries with this restriction can be found in this list (Region 1 – Western Balkans is exempted from restriction): <https://www.oecd.org/dac/financing-sustainable-development/development-finance-standards/daclist.htm>
- European partners may use a part of their **intra-European mobility budget** to fund their students mobility to restricted countries under ICM.

## Organisational support

EUR 500/participant

## Individual support

EUR 700-900/month for students and

EUR 148-190/day for staff

EUR 79/day up to the 14th day of activity and  
EUR 56/day from 15th to the 30th day of  
activity in case of blended mobility

## Contribution to travel costs

EUR 20-1735, depending on distance  
travelled

# Who can apply and how? (I)

- Higher Education Institutions in the Programme countries
- The **ICM project in their application** contains the countries and partner universities they intend to cooperate with, as well as their **cooperation plan in each region**

# Who can apply and how? (II)

- Upon successfully passing the established quality criteria, they will be allocated an **ICM grant spread in different regional envelopes**
- For every partnership with a secured budget, an **Inter-Institutional Agreement** is needed between the main applicant in Europe and every partner university in third countries before mobilities can start.

# ICM project implementation

# Timeline

# Testimonial & Experience from Our University

## | TIPS: FINDING PARTNERS & PLAN

- **Write and seek** partners among Program Country Universities
- **Activate** existing agreements and **explore** international relations offices.
- Emphasize the need for **accreditation and preparation** before applying.
- Match most **relevant courses**
- May consider **staff mobility** before student exchanges
- Ask for **regular assistance** from the Program Country partner
