Our priorities for education

N°1 priority for education

Access and Equity: This is to increase access to inclusive and equitable education in the country. To this end, this strategic plan sets out strategic activities geared toward making education accessible and affordable in The Gambia by expansion through decentralization, infrastructural expansion, and scholarship award among other activities.

N°2 priority for education

Quality and Relevance: This aims at improving the quality and relevance of education to produce skilled graduates with the requisite labour market competencies.

N°3 priority for education

Sector Management: This aims to provide an appropriate environment for effective and efficient education service delivery for sustained socioeconomic growth.
