Our priorities for education

N°1 priority for education

Ensure inclusion and equity in access, participation, and retention by securing all children, youth, and adults' access to a full cycle of school readiness, primary, secondary and tertiary education.

N°2 priority for education

Ensure the quality of learning by making sure that children, youth, and adults acquire basic literacy, numeracy, and life skills.

N°3 priority for education

Ensure transparent, participatory, efficient, and effective governance by enhancing the capacity of the ministries responsible for Education, Training and Science, Technology and Innovation sectors' staff to design and implement evidence-based policies and strategies.
