Our priorities for education

N°1 priority for education

Financial Strengthening of Public Higher Education, seeking to increase the coverage rate in higher education, especially for young people from the most vulnerable areas of the country, this indicator reflects the ease of access to this level of training.

N°2 priority for education

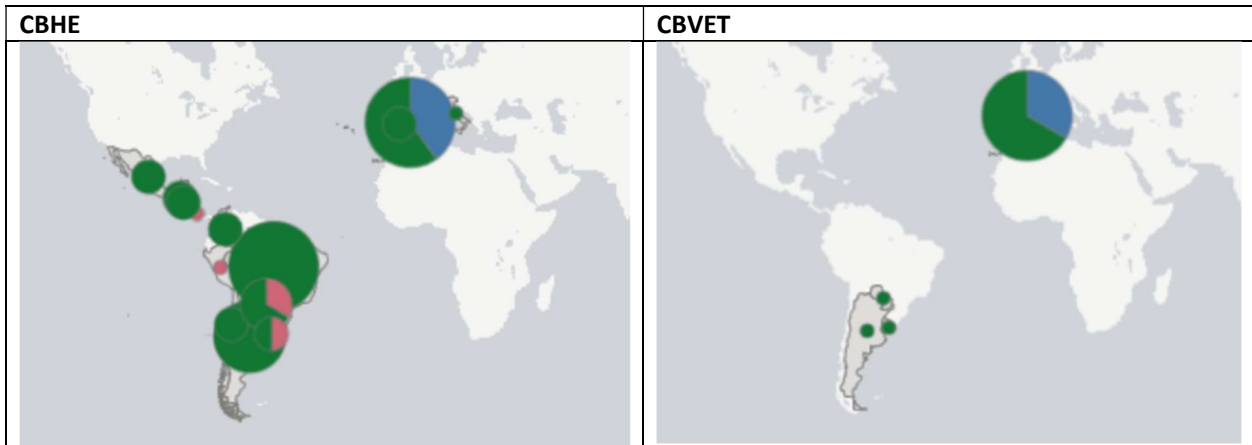

Participatory Reform of Higher Education, binding involvement of the university community, citizens and organizations to guarantee higher education as a right.

N°3 priority for education

Quality and Relevance of Higher Education, through programs that:

1. Improve the permanence and graduation rates of young people;
2. Training, updating and continuous teaching development;
3. Equipment and adaptation of physical and technological infrastructure;
4. Strengthening and internal consolidation quality management systems.
