The following features of the Programme deserve special attention.

Respect for EU values

The Erasmus+ programme's implementation, and therefore, the programme beneficiaries and the activities implemented under the programme, have to respect the EU values of respect for human dignity, freedom, democracy, equality, the rule of law and respect for human rights, including the rights of persons belonging to minorities, in full compliance with the values and rights enshrined in the EU Treaties and in the EU Charter of Fundamental Rights.

In line with the grant agreements, the beneficiary's grant may be terminated or reduced if such provisions are not respected.

If considering the use of generative artificial intelligence (AI) tools for the preparation of the application, applicants should be conscious of the potential of plagiarism and should exercise careful consideration to ensure the application's appropriateness and accuracy, its compliance with intellectual property regulations, as well as its original content.

MAIN FEATURES

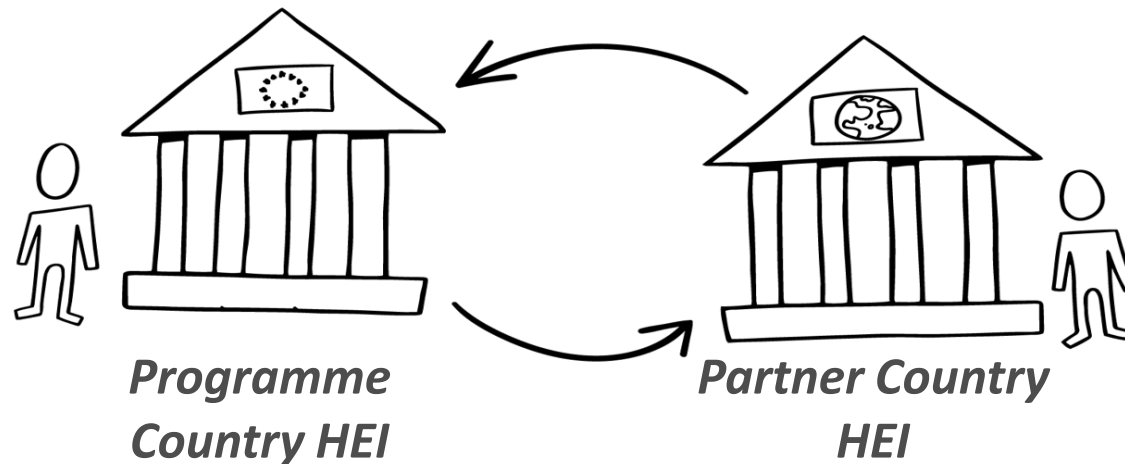

- Short-term higher education mobility for students, academic and administrative staff between a programme and a partner country
- All levels: Bachelor, Master and PhD candidates for students
- Mobility in any subject or academic discipline
- Duration: 2-3 years projects
- Study periods and traineeships of 2 – 12 months

2025 Budget:

Middle East: > 1.3
million €

Who can apply and how?

- **Only Higher Education Institutions (HEIs) from the Programme countries** apply directly to their National Agency (NA). Each NA receives a share of the regional budgets to cooperate with the three regions.
- The **ICM project in their application** contains the countries and partner universities they intend to cooperate with, as well as their **cooperation plan in each region**

Sending and hosting students at BA/ MA level

- For BA and MA students' mobility, all countries in the 3 regions can send but **only high-income countries (according to OECD criteria) can also host.**
- No restriction for staff and PhD students.
- This rule comes from the legal base of the funding for the Erasmus+ international dimension that needs to prioritise the benefits of the partner country.
- Nevertheless, this does not mean that your university cannot host BA/ MA students under Erasmus – just not under ICM! **The intra-European mobility projects of your European partners can use up to 20% of their budget to send students anywhere in the world (but not to host).**

Organisational support

Getting Log in Details for your organisation

Organisation Identification (OID)

or

Participant Identification Code (PIC)

OID or PIC ?

In the context of Erasmus+ projects, both Organisation Identification Numbers (OID) and Participant Identification Codes (PIC) are used, but in different types of Actions.

The **OID** is used primarily for **decentralized actions** managed by National Agencies under the Erasmus+ and European Solidarity Corps programs.

International Credit Mobility is a decentralised action.

The **PIC** is used for **centralized actions** managed by the European Education and Culture Executive Agency (EACEA) and for other EU funding programs.

Erasmus Mundus (EM) and Capacity Building for Higher Education (CBHE) are centralised Actions.

What about the other Actions? Do you need an OID or a PIC?

How to obtain an OID or PIC?

How to Obtain an OID

Access: Open the [Organisation Registration Website](#) to get registered.

The Organisation ID is mandatory for applicants and every organisation involved in an ICM application, including non-academic organisations.

Register: Create an account and register your organization.

Documentation: Submit necessary legal documents for verification.

The Erasmus+ National Agency certifies the new organisations by checking if the data registered in the system corresponds to the organisation's legal data in their supporting documents.

Receive OID: Once verified, you receive your OID

It is an 8-digit unique identifier preceded by the letter E.

How to Obtain a PIC

- Access: Go to the European Commission's Funding & Tenders Portal.
- Register: Open the Portal Participant Register to get registered. The REGISTRATION WIZARD will help you through the process.
- Details: Provide detailed organizational information.
- Before starting your registration, check if your organisation is already registered. Go to HOW TO PARTICIPATE> PARTICIPANT REGISTER> SEARCH A PIC(2X) and type in your organisation data.
- Start your registration by going to HOW TO PARTICIPATE >PARTICIPANT REGISTER >REGISTER YOUR ORGANISATION.
- Validation: Submit required documents for validation.
- To register your organisation, **you need to provide basic administrative and legal information**. Make sure that you have the relevant documents at hand.
- Receive PIC: After completing the new registration, you will receive the 9-digit **Participant Identification Code (PIC)**.

Need help?

The participant register is now multilingual! ... in the top right corner of the Portal.

If you want to participate in a call for proposals or in a call for tenders with eSubmission, your organisation needs to be registered and have a 9-digit Participant Identification Code (PIC). Please quote your PIC in all correspondence with the Commission.
The register contains all participants of EU programmes.

Is your organisation already registered? PIC search

Please check whether your organisation has already been registered. If so, no need to register it again.

Register your organisation

To register your organisation or as a natural person, you need to login into the Portal or, if you are a new user, create your account.

Check what information you need to register in the Online Manual - and keep it to hand during the registration procedure. To start registration, click on the button below

Register your organisation

You can suspend the registration process at any time: the data entered can be saved as draft and you can continue your registration later. To return to your registration, please log in and get into My Organisation(s) in the My Area section. Incomplete, draft registrations are automatically deleted after one year.

Additionally, for actions where the SME status is an eligibility criterion (like, e.g. the SME Instrument) you must also carry out the SME self-assessment.

Should your project or tender be successfully evaluated, the registered data will be verified by the Validation Service team before the signature of the Grant Agreement or of the Framework Contract.

Make sure your organisation doesn't have a PIC already

If not, you can start registering

2. Why use it for finding partners?

- It showcases organizations with proven expertise and experience in Erasmus+.
- Offers transparency about past projects, allowing you to assess the credibility and relevance of potential partners.
- Helps identify partners with complementary skills and regional expertise.

Tip 1 in Finding Partners: The **Erasmus+ Project Results Platform**

How to use it:

- Access the platform online (provide URL: <https://erasmus-plus.ec.europa.eu/projects>).
- Use filters such as country, sector, Key Action, or keywords related to your project idea.
- Review project summaries to find organizations with similar thematic or regional interests.
- Note down the contact information of organizations of interest (usually available in project descriptions).

- [Partner Search | EU Funding & Tenders Portal](#)

Tip 2 in Finding Partners – the EU Funding and Tenders Portal

The screenshot displays the EU Funding and Tenders Portal interface. At the top, the European Commission logo and the text 'Funding & tender opportunities Single Electronic Data Interchange Area (SEDIA)' are visible. A navigation bar includes links for HOME, SEARCH FUNDING & TENDERS, HOW TO PARTICIPATE, PROJECTS & RESULTS, WORK AS AN EXPERT, and SUPPORT. The main content area shows a call for proposal for 'Increasing the efficiency of innovative static energy conversion devices for electricity and heat/cold generation' (HORIZON-CL5-2023-D3-03-01). The page is divided into sections: 'General conditions' with details on admissibility and proposal limits; 'Partner search announcements' showing 47 searches of partners to collaborate on this topic; and 'Start submission' with instructions on how to access the submission system and a 'Start submission' button. A 'Need help?' link is also present.

- [Partner Search | EU Funding & Tenders Portal](#)

Tip 2 in Finding Partners – the EU Funding and Tenders Portal

Tips for outreach:

- Look for organizations that have expressed interest in your field or call for proposals.
- When reaching out, clearly state your project idea, the Erasmus+ action you're applying for, and why you believe the partnership is a good fit.
- Offer mutual benefits in terms of expertise, resources, or regional knowledge.

Tip 3: Find your ENFP and get connected to the ENFP Network (and other Erasmus+ networks)

Leveraging the Erasmus+ National Focal Points (ENFP) and other Erasmus+ networks is a strategic way to find partners and build a strong consortium for your project.

[National Focal Points | Erasmus Networks Platform](#)

Tip 3: Find your ENFP and get connected to the ENFP Network (and other Erasmus+ networks)

1. Who are ENFPs?

- ENFPs serve as points of contact for Erasmus+ stakeholders in their respective countries/territories/regions.
- ENFPs provide guidance on Erasmus+ opportunities and can connect you with local organisations interested in collaborating.

2. Why connect with ENFPs?

- ENFPs have extensive networks within their countries and regions, giving you access to organizations already familiar with Erasmus+.
- They often organize or participate in events, info sessions, and matchmaking activities where you can meet potential partners.
- ENFPs can recommend organizations with relevant expertise or interest in your project area.

3. How to find your ENFP:

- Visit the ENFP website or contact your Ministry
- Reach out to them via email or during Erasmus+ events or via the platform
- Be clear about your project idea and the type of partner you are seeking.

Benefits of connecting with the Erasmus+ Networks:

- Access to focused networks of experienced organizations and institutions such as the International Contact Points and National Erasmus Offices
- Alumni networks (e.g., EMA, ESN, OCEANS), which can also serve as a resource for identifying potential collaborators.
- Guidance on cultural and administrative nuances in working with organizations in their region.

Leveraging other Erasmus+ networks:

- Explore Erasmus+ alumni and stakeholder networks:
 - **EMA (Erasmus Mundus Association):** Alumni of Erasmus Mundus Joint Master Degrees.
